July 3, 2017

Dear Members and Prospective Members,

Welcome to the 2017-18 Academic Year at the Newport Psychoanalytic Institute and the Newport Center for Psychoanalytic Studies!

Once again, the PEPWEB corporation reminds us that membership enrollment must be completed by August 15, 2017 in order to insure uninterrupted access to PEPWEB.

Joining and/or renewing your membership will not only ensure access to this invaluable resource, but will keep your eligibility intact for teaching, training, and supervising candidates, and receiving member rates to our many exciting Center events.

We invite you to visit our website and as members encourage you to post your profile.

Newport Psychoanalytic Institute/Newport Center for Psychoanalytic Studies has just completed one of the most successful years in our history. From our “Theaters of the Mind” partnership with South Coast Repertory to numerous Continuing Education classes to full-day conferences, our Center programs have generated enthusiastic participation from individuals throughout our area and we are delighted to be emerging as a major presence on the Southern California psychoanalytic scene.

This fall we will be welcoming five (5) new students in the one year Advanced Concepts in Psychoanalytic Psychotherapy and two (2) new students to the Certificate in Psychodynamic Psychotherapy.

In addition, here are some of the innovative events you can look forward to this year:

- Our “Theatre of the Mind” partnership with South Coast Repertory will continue, bringing us five more enjoyable afternoons analyzing the arts from a psychoanalytic perspective, more information to come.
- We are in the planning stages for half day and full-day conferences. Watch your email for more information.

We encourage you to contact the NPI office if you would like to offer a course yourself!

As you will notice on the attached application form, we have several categories of membership, including Associate Membership for candidates of NPI only (at no charge), Corresponding Membership for those out of our immediate area, and Friends of the Center for non-analysts and lay people interested in becoming a part of our psychoanalytic community. In addition, we are now offering the opportunity for Life Membership, which we encourage you to

consider. If you know of anyone who would benefit from this, or any of the other categories of membership, we hope you will introduce them to Newport Psychoanalytic Institute and the Newport Center for Psychoanalytic Studies and urge them to join us!

We look forward to seeing you all at our events this Fall and to sharing an exciting and enriching year at the Newport Psychoanalytic Institute and the Newport Center for Psychoanalytic Studies! Enjoy your summer!

Warm regards,
